Nockamixon Sail Club hosts one-day Invitational Regattas throughout the year. The May Regatta is the Victor Jaczun Regatta, named in honor of the founder of our Club. Invitational Regattas use a single start for all competitors and encourage club members and visitors to race in a one-day event and receive awards. The US Sailing Portsmouth yardsticks are used for scoring these Regattas. Our annual "Up-the-Lake-Down-and-Back," or ULDB event for all Fleets, will be held this year on July 17, and concludes with the Annual Summer Picnic for all Club Members.
