PORTSMOUTH FLEET SUPPLEMENT SAILING INSTRUCTIONS - 2018

EXCEPTIONS TO PORTSMOUTH RATING RULES. To encourage participation by all members, friends, and families, there will be no restriction on the number of crew in any boat. Scoring is for the registered skipper for the day -- the helmsperson may change between races or even within a race.

SERIES RACING. Two (2) racing series will be provided for the Portsmouth Fleet. Each series will consist of at least four (4) race days. Each series shall have a minimum of nine (9) races to qualify as a series. The fleet will schedule a Saturday and Regatta Series. Fifty (50%) percent of the completed races will count in the series scoring, but not less than nine (9) races.

FLEET STARTS. When there are at least four (4) Portsmouth Fleet racing members present for a start, a request may be made to the Race Committee (RC) for a separate fleet start.

SCORING. Each Series will be scored as provided in Appendix A of the Racing Rules of Sailing using the "Low Point" System.

RACE COMMITTEE DUTY. Scoring shall be given to a boat serving on RC, in any series, equal to the average points of races completed by that boat. No boat shall receive more than three (3) RC scores in any one series.

PRIZES. Fleet prizes will be awarded to the first three finishers in each series.
